

Special School Events 2008-2009

Fall 2008

Fossil Fun Week

October 6-11; 10:00 am-noon

Dig in with the fossil find as you excavate and identify Kentucky fossils. Learn how fossils are formed and make your own fossil to take home. Get up close and personal with dino fossils and learn why their remains haven't been found in Kentucky. Learn how to classify rock types. Designed for grades K-6.

Cost: \$5/student Teachers are FREE!

Native American Celebration

November 10-14; 10:00 am-noon

Step inside a longhouse, wear face paint, try some Native American food, and feel the warmth of bison fur. Experience the rich culture of the Native Americans through music, dance, and storytelling. Dispel myths of Kentucky's native people as you learn of the contributions of our states oldest residents.

Designed for grades K-6.

Cost: \$5/student Teachers are FREE!

Holidays Around the World

December 1-5; 10:00 am - noon

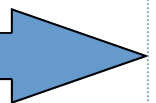

Travel around the Explorium and experience four different holidays that are celebrated in America and all over the world. Learn about India, Vietnam, Israel and the United States as you discover the traditions of Chanukah, Divali, Tet, and Kwanzaa. Make and take home a Vietnamese dragon puppet, play the dreidl game and learn about the celebration of first fruits. Designed for grades K-6.

Cost: \$5/student Teachers are FREE!

All Special Events are themed programs designed around core content with the elementary student in mind. Local experts and professionals lead hands-on learning experiences and exciting, interactive presentations. All Special Events require reservation .
